

# DR. MARK'S WHITENING CLUB

We feel that every patient in our practice deserves to be proud of their smile. We are excited to offer our patients a unique program we call DR. MARK'S WHITENING CLUB.

When you come to our office for your preventive examination, x-rays and hygiene maintenance, we will provide you with bleaching trays and materials for a one-time enrollment fee of \$199.00. Then, at each recommended preventive visit, we will give you complimentary touchup tubes of bleaching gel. This ensures that you will be able to keep your teeth bright and beautiful for life!

All we ask in return is:

- **You keep your recommended hygiene appointment current.** Your long term dental health is as important to us as it is to you. Our patients have found that keeping these visits regular helps to greatly reduce emergencies. That is why we are committed to your dental health.
- **Provide at least 24 hours notice** if you need to cancel or change an appointment. In order to be able to offer exceptional services like DR. MARK'S WHITENING CLUB to all our patients, we ask that you give us the courtesy of advance notice for schedule changes.

We appreciate the opportunity to serve you, and look forward to seeing your bright smile for many years to come!

I understand the DR. MARK'S WHITENING CLUB program requirements and would like to enroll.
